Guidance Notes for completion of Annual Certificate CHY4

Section 848A of the Taxes Consolidation Act (TCA) 1997 provides for tax relief in respect of charitable donations by self-assessed or PAYE taxpayers. This tax relief is provided to the approved body rather than to the donor. It relates to donations made from 1 January 2013.

It is important to note that a donor is not entitled to a repayment of any part of the tax that has been repaid to the approved body under this scheme. This includes claims for tax relief for medical expenses. See example.

Example

Joan makes a cash donation of €1,000 to an approved body in the tax year 2018. Under this scheme the body is deemed to have received a donation of €1,449.27 (€1,000 grossed up at 31%) less tax deducted of €449.27.

On the assumption that Joan has paid income tax for 2018 of at least €449.27, the approved body can obtain a refund of that amount. This can be claimed after the end of the tax year 2018.

The amount repaid to an approved body cannot exceed the amount of tax paid by the donor for the year in question. If Joan's income tax liability for 2018 is €350, and she has paid this amount, the repayment to the approved body is restricted to that amount.

Joan is not entitled to a repayment of any part of the tax that has been repaid to the approved body.

1. Approved bodies

Approved bodies for the purposes of the scheme of tax relief for donations are:

- an eligible charity, i.e. any charity which is authorised by the Revenue Commissioners to operate this tax relief scheme;
- educational institutions or bodies including primary, second level or third level, as described in Part 1 of Schedule 26A TCA 1997;
- a body approved for Education in the Arts by the Minister for Finance as described in Part 2 of Schedule 26A TCA 1997;
- a body to which section 209 TCA 1997 applies..

A list of resident and non-resident charities authorised for the purposes of the CDS is available at

<https://www.revenue.ie/en/companies-and-charities/charities-and-sports-bodies/charitable-donation-scheme/index.aspx>.

2. Completing an Annual Certificate

If you wish to allow an approved body to claim tax relief for your donations for one year only, you should complete a CHY4 Annual Certificate.

The approved body can only claim tax relief for the lifetime of the annual certificate. For the purposes of this Scheme, donations to an approved body must amount to at least €250 in the tax year.

You can complete this form for some or all of the approved bodies to which you made donations.

There is no obligation to complete a CHY4 certificate in respect of your donations.

3. Renewal and cancellation of an Annual Certificate

The approved body may contact you about renewing your certificate. Alternatively, you can advise the body in question to renew it. If you wish to cancel your certificate, you must notify the approved body. You must advise the approved body of any change in circumstances that would affect its entitlement to claim tax relief in respect of your donations.

4. Thresholds for tax relief purposes on the amounts donated

There are some limits in place for tax relief purposes:

- a donation to any one approved body must, for tax relief purposes, be in the form of money and / or designated securities*.
- the donations must amount in aggregate to at least €250 in a tax year;
- the aggregate of donations to an approved body or bodies in any tax year from 2013 onwards cannot, for tax relief purposes, exceed €1,000,000;
- if you are associated with an approved body, or bodies, the amount of your donations to that body, or bodies is for tax relief, limited to an amount equivalent to 10% of your total income. It should be noted that these limits apply solely for the purposes of tax relief on your donations. They do not impose any restrictions on the amount you can donate to an approved body.

*Designated securities are quoted shares and debentures

5. Association with an approved body

You are associated with an approved body if at the time you make a donation you are an employee or member of that body, or of another approved body associated with the former. One approved body is deemed associated with another approved body if it could reasonably be considered that:

- the activities carried on by both bodies are or can be, directed by the same person or by broadly the same group or groups of persons, or
- the same person or broadly the same group or groups of persons exercise or can exercise control over both bodies.

The aggregate of your donations in a tax year to all approved bodies with which you are associated cannot exceed 10% of your total income for that year. The amount of those donations that exceed the 10% limit are not considered relevant donations. Tax relief is not available on that excess amount.
